Ice Machine

Blanchard's — 985.868.8945

Ice—anytime you need it! This is a great addition to your home for personal use and get-togethers. Never buy ice again for your fishing or hunting trips, not to mention tailgating for the big game. Blanchard's stocks ice machines that produce 30-2,000 pounds of ice per day. Makes a great Christmas gift! Financing available.

UGGs

Shoefits — 985.655.0005

Make it an UGG Christmas with these Hot Items! Looking for the UGG Classic Line that you have come to know and love? Look no further because Shoefits has an array of styles and colors ranging from the Mini Bailey Button to the Classic Tall. You're sure to find the perfect boot for your signature style. Shoefits also carries a selection of UGG accessories from hats, scarves and earmuffs in a variety of styles and colors in box sets that make the perfect gift.

Floating Jellyfish Aquarium Decoration

Pet Express — 985.876.7738

Check out these amazing jellyfish decorations for freshwater or saltwater aquariums and experience the magic of a lifelike jelly drifting in your tank. Its soft, flexible plastic construction replicates movement and the attention to detail will have family and friends mesmerized, making it the perfect gift for the aquatic enthusiast on your list.

AMP Super Energy/Weight Loss Enhancer

Bouari Clinic — 985.224.1150

Look your best this holiday season and have the energy to get through it! AMP Super Energy helps you to get off the couch, stop eating all that fruit cake and feel better about yourself. This boost works at a cellular level to give you the energy and fat-burning power you need. Treat yourself to AMP Super Energy.

Jeep

Southland Dodge — 985.876.1817

Looking for a present that will appeal to more than one person on your list? Here's a gift the whole family can enjoy. Go for a topless joyride in your Jeep! Turn road trips into memories that extend far beyond Christmas, and turn your morning commute into an adventure. This Christmas, go topless!

The Original Bayou Boiler

Morrison Terrebonne Lumber Center

985.223.6339

Check Dad off your list. And get the seafood and all the fixings ready for Christmas Day—'cause he's going to be ready to fire up his Bayou Boiler as soon as he lays eyes on his new favorite toy! Cajun-made in Louisiana and assembled locally, the Bayou Boiler runs on natural gas and features 20 jets with 130,000 BTU. Tempered paint with a rust-prohibitive, powder coat ensures it will look great for years, too. Available at the Home Hardware Center, 1218 St. Charles St., Houma.
